Carpool Jam Concert
October 10th
Oxnard Performing Arts Center Parking Lot

Beach Boys Live Concerts in Your Car

October 23rd 8:30pm
Ventura County Fairgrounds

Dining Out In Ventura!

Ventura has always been about being outdoors. We bask in sunny warmth almost all year. And now, with COVID-19 concerns, Ventura is putting the fine outdoors to good use. From downtown Main Street (now closed to traffic so restaurants can put tables out in the street), to Ventura Harbor’s Seaside Takeout Zone (buy takeout at a Harbor restaurant, and walk to the designated grass area at the north end of the shops and restaurants), to restaurants on South Seaward (get to go and walk two minutes to the beach), outdoor dining options in Ventura are limited only by your imagination (take a Tony’s Pizza straight up to Grant Park, and eat it, still hot, with a gorgeous panoramic view) and your comfort level.

Because, above all, we all want to feel and be safe, so with safety in mind for everyone, please wear a mask. Yes, wearing a mask is now a California-wide mandate; face coverings are now required in common and public indoor spaces, and outdoors when distancing is not possible. But, while a mandate, it is also simply a heartfelt request, based on the latest science, asking us to do what is best for everyone.

Welcome to Ventura Management!

Ventura County Halloween Trick or Treat Guidelines

On Wednesday 9/16/2020, Ventura County Health Office released an updated list of Halloween guidelines, which removed trick-or-treating from the "Not Permitted" list, placing it instead on a new "**Not Recommended**" activity list.

Activities that remained on the "Not Permitted" list include social events such as Halloween gatherings, parties, carnivals and haunted houses.

The list of "Not Recommended" activities includes door-to-door trick-or-treating and "Trunk or treating" where children go from car-to-car instead of door-to-door to receive treats.

Permitted and recommended Halloween activities include online parties and contests, car parades and drive-by events, movie nights at drive-in theaters, Halloween-themed meals, Halloween displays at an outdoor museum and decorating your house and yard for the holiday.

Public Health said they are making these recommendations in an effort to slow the spread of COVID-19 in the county so that businesses can get closer to reopening under the states benchmark guidelines.

Some fun alternatives to door to door trick or treating are:

Have a Pumpkin Hunt. This is basically an Easter egg hunt but with mini pumpkins. Hide mini pumpkins (real or fake) all over the yard, give each kid a bag, and start the hunt.

Candy hunt! Here's a good one if you've already purchased your candy and then had trick or treat canceled. Hide candy all around the house (inside, outside, or both).

Scavenger Hunts are fun for kids of all ages. Choose from a scavenger hunt that includes a sheet of things to find and check off. Or give out the clues, one by one, and have the kids hunt from clue to clue.
